LINE-UP & STAGE REQUIREMENTS

Name	Instrument / Role	Stage / FOH Requirements
Jonas	Electric Guitar 1 / Announcements	Stereo DI L/R - 230V power - 1 wedge - dynamic vocal mic + boom stand
Niklas	Electric Guitar 2	Stereo DI L/R - 230V power - separate IEM mix
Manu	Electric Guitar 3	Stereo DI L/R - 230V power - separate IEM mix
Josh	Bass	Mono DI - 230V power - separate monitor mix (wedge or IEM by arrangement)
Noah	Drums / Playback	230V power for laptop/interface - separate IEM mix - stereo backing track L/R

PLAYBACK / CLICK

- Stereo backing track (L/R) is sent from Noah's laptop / audio interface.
- Click track is routed separately to Noah's IEM only and must not be sent to FOH / PA.
- Two balanced line or DI inputs are required for the backing track.

VISUALS / PROJECTOR

- HDMI access from the stage / playback setup to the venue projector or video system.
- Projector / screen and the signal path are provided by the venue unless agreed otherwise.
- For long HDMI runs, please provide an active extender or suitable signal distribution.

Suggested Technical Setup

FIXED INPUT LIST

Drum inputs follow the venue house standard; see note below.

Ch	Source	Input	Position
1	Jonas GTR L	DI / Line	Front Center
2	Jonas GTR R	DI / Line	Front Center
3	Niklas GTR L	DI / Line	Front Left
4	Niklas GTR R	DI / Line	Front Left
5	Manu GTR L	DI / Line	Front Right
6	Manu GTR R	DI / Line	Front Right
7	Josh Bass	Mono DI	Stage Right
8	Backing L	DI / Line	Drum Riser
9	Backing R	DI / Line	Drum Riser
10	Jonas Announcement	SM58 or equivalent	Front Center

DRUMS - VENUE STANDARD

House-standard miking: kick, snare, required toms and stereo overheads. Hi-hat / extra mics where possible. Please plan for at least 16-18 FOH inputs in total.

STAGE PLOT - POSITIONS MAY BE ADAPTED TO THE VENUE
